

Client Leadership – Our Vision

An independent investment consulting firm, Marquette Associates guides institutional investment programs with a focused client service approach and careful research grounded in real-world experience. We've served clients with a single mission for over 30 years – enable institutions to become more effective investment stewards.

Job responsibilities will include, but are not limited to:

- Work closely with lead consultants in a team-based environment
- Provide day-to-day client support as directed
- Complete client related reporting materials on a quarterly and/or monthly basis
- Create/participate in creating new project parameters based on client requirements
- Act as project manager on designated clients
- Participate in client meetings with lead consultants in a support role
- Resource and mentor junior staff on specific areas of expertise
- Take an active and constructive role within the firm

Qualifications:

- Bachelor's degree in Finance, Business Administration or related field and at least two years of relevant experience
- Knowledge of investment industry (e.g., general financial markets knowledge, asset allocation, performance analysis, portfolio construction, investment policy, asset transfers and rebalancing)
- Advanced Excel skillset, solid knowledge of Microsoft Office and the ability to quickly learn new software applications
- Strong attention to detail and highly organized with ability to work independently to meet deadlines
- Professional communication and interpersonal skills
- Ability to multitask in a fast-paced environment and react to change positively
- Critical thinking skills, self-starter
- Excellent follow-up abilities
- Experience with financial reporting is a plus
- Candidates who have interest in, or are working towards one of the following designations will be strongly considered: CFA, CAIA, or MBA

Marquette Associates offers competitive benefits, including medical, dental and vision coverage; flexible spending plans for health care and dependent care; generous time off benefits; 401(k) plan with company match and more.
